A History of St Comgall's  
Catholic Parish  
& School,  
Bangor

By Patricia Norrington

This richly detailed volume traces the history of the Catholic Church in North Down from its early monastic foundations to parish life today. The narrative moves through centuries of challenge and change, culminating in the establishment of Newtownards Parish in 1811 and the creation of Bangor as a separate parish in 1903, later incorporating Donaghadee.
