- **Towards Peace Spiritual Support Service**

Towards Peace is an independent organization that provides a spiritual support and professional service for survivors of physical, emotional, sexual and spiritual abuse who suffered in an institutional, clerical or religious setting in Ireland. Funded by the Irish Catholic Bishops' Conference and the Association of Missionary and Religious in Ireland, the vision of Towards Peace is to provide a safe supportive space for people and their families, whose spiritual life has been damaged by abuse. Through spiritual accompaniment with a qualified spiritual director, Towards Peace endeavours to accompany people as they seek their own experience of spiritual peace, one step at a time. Towards Peace is also a response to the continually growing understanding of the spiritual impact of the trauma of abuse and seeks to raise awareness about this within the Church. The Towards Peace Spiritual Support Service is free of charge and for more please see <https://towardspeace.ie/>

ADOPTIVE PARENTS NEEDED URGENTLY

Family Care Adoption Services is an Adoption Agency, and a core part of our work is to place children with new adoptive families. We provide adoption services throughout all Northern Ireland and work with Health and Social Care Trusts to place single children and sibling groups for adoption.

These children are aged from babyhood to approximately 5 years old.

There are currently more children waiting to be adopted in Northern Ireland than families approved to adopt and there is an urgent need for new families to come forward.

All sorts of people from all walks of life can be considered for adoption.

So, wherever you live in Northern Ireland if you think you could offer a child/ren a new life in a family of their own and would like an informal chat to discuss this and to find out more about adoption,
