IT'S EASY TO SEE WHAT ALCOHOL IS DOING TO THE DRINKER BUT CAN YOU SEE WHAT IT IS DOING TO YOU?

These questions can help you identify if someone else's drinking is affecting you. If your answer is yes to any of the following, Al-Anon Family Groups can help.

- Do you worry about how much someone else drinks?
- Do you tell lies to cover up for someone else's drinking?
- Are you afraid to upset someone for fear that it will set off a drinking bout?
- Do you feel that if the drinker loves you, he would stop drinking to please you?
- Do you feel like a failure because you can't stop the drinking?
- Do you make threats such as "If you don't stop drinking, I'll leave you"?
- Do you search for hidden alcohol?
- Do you feel angry, confused or depressed most of the time?

- **Towards Peace Spiritual Support Service**

Towards Peace is an independent organization that provides a spiritual support and professional service for survivors of physical, emotional, sexual and spiritual abuse who suffered in an institutional, clerical or religious setting in Ireland. Funded by the Irish Catholic Bishops' Conference and the Association of Missionary and Religious in Ireland, the vision of Towards Peace is to provide a safe supportive space for people and their families, whose spiritual life has been damaged by abuse. Through spiritual accompaniment with a qualified spiritual director, Towards Peace endeavours to accompany people as they seek their own experience of spiritual peace, one step at a time. Towards Peace is also a response to the continually growing understanding of the spiritual impact of the trauma of abuse and seeks to raise awareness about this within the Church. The Towards Peace Spiritual Support Service is free of charge and for more please see <https://towardspeace.ie/>
