Bangor Parish Family of Schools

Providing a seamless
journey through
education from
age 3 to 19.

WHAT IS A FAITH-BASED SCHOOL?

The Bangor Parish Family of Schools is a community of four Catholic faith-based schools.

The Family of Schools together provide a seamless journey through education from ages 3 to 19 where your child will be:

- ♦ educated and encouraged;
- ♦ cherished and nurtured;
- ♦ respected and valued;

Our caring staff will support you as we journey together to ensure that your child's education will be a rewarding and enjoyable experience.

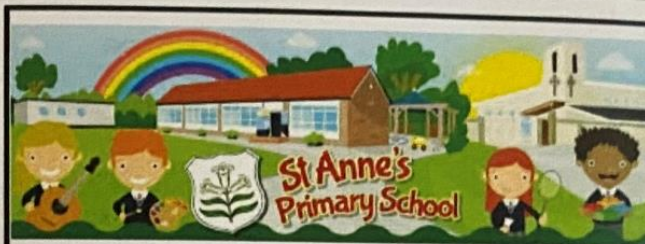

The families that choose faith schools may not be religious themselves but they sense that faith schools preserve values, disciplines and habits that are being lost elsewhere.

Read on to find out more about each school and also about how to apply for admission.

OUR PARISH SCHOOLS

St Anne's Primary School in Donaghadee enjoys a pleasant, rural setting giving the children access to large areas of outdoor play space. With our smaller, composite classes our dedicated staff are able to provide a personal environment which gives suitable levels of both support and challenge to the children's learning. We strive to encourage a high level of academic achievement, and enhance each pupil's personal development - all within Catholic attitudes and values.
