

**Ecological Reflection.** Thought from the Gospel and Pope Francis encyclical on the Care of Our Common Home: Laudato Si. (From Columban Sisters Facebook page)

*" Go back and tell John what you have seen and heard: the blind see again, the lame walk, leper are made clean, the deaf hear, the dead are raised to life and the poor are given good news. [Lk. 7: 22]*

*Our hearts are full of hope that there will be a joyful reversal of the crisis that our Mother Earth has been living through at this challenging time.*

At the end, we will find ourselves face to face with the infinite beauty of God and be able to read with admiration and happiness the mystery of the universe, which with us will share in unending plenitude. Even now we are journeying towards the sabbath of eternity, the new Jerusalem, towards our Common Home in heaven. Jesus says: " I make all things new". [LS 243]
