Dear Reverend Father

**Registration for *Pathways to the Future* November Meetings**

We wrote to you on 11 October with information on the Diocesan Launch of *Pathways to the Future* on 5 November, and shared details of the meetings to be held during November. To manage numbers and ensure as many people as possible can be part of these early conversations, we have allocated parishes to specific meetings, grouped by the suggested Families of Parishes.

Your parish has been allocated to the meeting to be held on **Monday 20 November in St Patrick's Parish Centre, 71 Upper North Street, Newtownards**. Invitations to this meeting are being extended to parishes that would form part of the suggested Down 5 and 6, and Belfast 22 Families of Parishes.

Registration to attend the meetings will open to all parishioners from **Sunday 5 November**. Parishioners will be asked to contact their relevant Parish Office to register. Parishes should upload the registration details via the following link <https://forms.office.com/e/ELwX8ugtuM> Email and telephone contact details will be required as part of the registration process.

As capacity is limited at all venues, parishes can pre-register up to a maximum of five people by close on Friday 3 November. It may be useful to use these places for parish volunteers who will play a role in hosting or facilitating further local parish conversations.
