

Ask your MP to sign a parliamentary motion calling on the Government to introduce new guidance on fetal pain

A new parliamentary motion (EDM 1340) is calling on the Government to introduce new guidance on fetal pain.

The evidence that babies can feel pain in the womb, and during many abortions, highlights the humanity of the unborn child and provides another important reason to introduce legislation to protect the unborn child from abortion.

Right To Life UK have set up an easy-to-use tool which makes it simple to contact your MP - please visit the link below - it only takes 30 seconds.
